

DIMENSIONAL STONE ACCENTS

Description:

Our Exclusive sandblasted address stones are seen at all the best addresses! This permanent display of residential house numbers is easy to read. Available in a variety of sizes, designs and lettering styles.

Our quality Indiana Limestone (alternative products also available) and superior workmanship ensure that your address stone stays attractive and sturdy for decades with no maintenance. The deeply engraved 4" letters meet most city codes. Unlike brass or wooden house numbers that deteriorate over time, address stone add an elegant architectural detail to your home at a surprisingly affordable price.
