

## Salt Creek® Buff Slabs

### Description:

Salt Creek® Buff Slabs are notable for their flatness and rich brown color. The slabs are often used for natural steps and sign panels. This versatile stone is available in large sizes and is also used as a natural bridge slab. The golden-brown tones blend easily into the landscape.

### Characteristics:

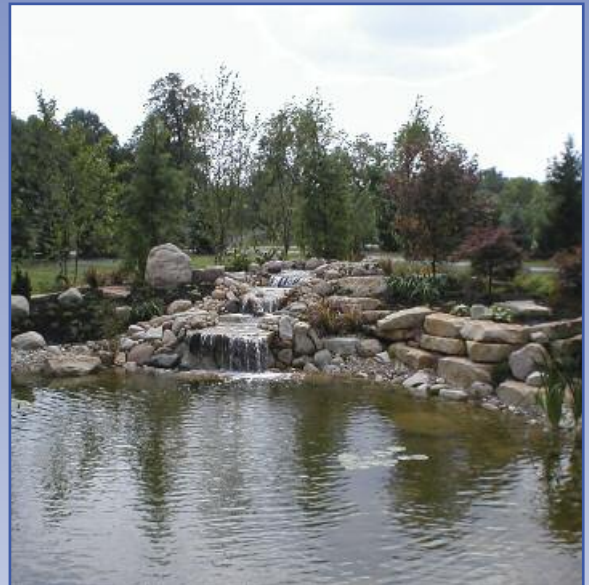

**Thickness:** 6" to 18" height, very consistent

**Multiple sizes:** 1' - 3' length and width

**Size:** 4' x 10' (+ or -)
