

## *Top Rock Boulders*

### ***Description:***

Top Rock Boulders capture the best elements of aged stone and are available in a wide range of sizes and shapes. Characteristically, they are weatherworn with patches of moss and lichens. The dark brown stone can include accents of burgundy, red, orange and black.

This material is sourced to order. To preserve the moss and lichens requires lead time.

### ***Characteristics:***

Sizes vary, up to 4" x 6' x 2' thick. Call for available size information.

**Color:** Buff to brown colors with varying accent colors.

**Type:** Sandstone
