

## Pattern Tumbled Bluestone

### **Description:**

Pattern Tumbled Bluestone has blue to blue-green tones, yet not as full colored as the natural cleft Bluestone. It is more casual in appearance and makes an ideal product for stepping stones.

### **Sizes:**

12 x 12      12 x 18

### **Characteristics:**

**Thickness:** 2", little variance

**Finish:** Sawn, thermal, and tumbled

**Type:** Sandstone
