

WALLSTONE

Bexley Buff Sawn & Tumbled

Description:

Bexley Buff Cut Dry Wall is light buff with a few darker brown and a few with a blue vein. It is somewhat rough in texture, yet easy to set due to consistent grading. This stone matches many of the stone homes in Bexley, Upper Arlington, Worthington, Grandview, and Clintonville. Sawn and tumbled means the stone has been sawn to uniform heights, then tumbled to add a rustic appearance. This promotes easy installation and a natural appearance. Bexley Buff is a Lang exclusive.

Characteristics:

Flat, pre-split wallstone, suitable for stacking

Thickness: Pallets of all 3", or a mix of 3", 6", and 9" heights

Size: 1' - 2' random
